

2011 Haas VF3 Vertical Machining Centre for sale.

Specification

Travel

X axis stroke	1016mm
Y axis stroke	508mm
Z axis stroke	635mm
Distance spindle nose to table	102-737mm

Table

Width	457mm
Length	1219mm
Max. Weight on table	1588kg
T Slots : width	16mm
: pitch	80mm

Spindle

Taper size	No.40
Speed	0-7500rpm

Bearings

Bearing lubrication	Air/oil injection
Cooling	Liquid cooled

Motor

Spindle motor, max. rating	14.9kW
----------------------------	--------

Feedrate

Rapid X, Y & Z axis	25.4m/min
Max. Cutting feedrate	16.5m/min

Toolchanger

Capacity	20 tools
Type	BT40

General

Approximate machine weight	5670kg
Air supply (min)	113lpm, 6.9 bar

Machine equipped with:-

Haas (Fanuc compatible) CNC Control system

Through spindle coolant

Wireless intuitive probing system

High speed machining

Programmable coolant nozzle

Automatic lubrication system

Enclosed guarding

Swarf auger

Lighting
